

Minimum of 50 blades per blade type.

Please pack the blades in such a way that the edges of the blades can not collide to prevent breakouts during transport.

Unless you tell us otherwise or send us less than the required 50 blades, you will receive re-sharpened blades from our **exchange pool** in exchange for your used blades. Your big advantage here is that we ship within 3 working days, and you always receive the same amount of blades back as we received from you.

If you do not wish this, please check “NO exchange pool”! If this is not marked, we will consider this as consent.

Do you absolutely want your own blades back? Then the delivery time is about 3 weeks. Please note that it is not always possible to re-sharpen the blades.

Blades that cannot be resharpened will be **replaced by us with new blades**, for which we will invoice you accordingly.

If you do not wish this, please mark “Replace No”! If this is not marked, we will consider this as consent.
